- Control pedal
- Functions switch with two buttons and built-in power socket
- Structure in painted metal
- Folding boiler support
- Linen carrier
- Adjustable height
- Board closing strap

Carla is an ironing board with vacuum, heating and blowing functions, entirely made of metal and adjustable in height. The board vacuum and heating systems allow to perfectly fit the garment, absorbing steam and removing moisture. The blowing function inflates the garment and ensures impeccable ironing of even the most difficult fabrics.

Adjustable height: 72.5-94.5 cm
Open board size: 142x48x94.5 cm
Closed board size: 113.5x48x17 cm
Board size: 125x40 cm
Boiler support size: 41x28.5 cm
Weight: 16 kg
Total power: 650 W
Motor power: 53 W
